SHAPING YOUR WORLD

Kier Highways is running a Work Awareness Week for 15-18 year olds from 6-10 August 2018.

Kier Highways

Work Awareness Week

Why not come along and find out more about the range of careers available in the Highways industry?
Also a great addition to your CV.

During the week you will get a taster of the various career options available in Kier Highways, including:

- 01 Highways operations
- 02 Highways electrical
- 03 Civil, structural or design engineer
- 04 CAD technician
- 05 Quantity surveying
- 06 Planning/scheduling
- 07 Business support
- 08 Finance and commercial
- 09 Health, safety and environmental
- 10 Quality and business improvement
- 11 Human resources
- 12 Communications and customer service

Each day will run from 9am to 4.30pm at Bridgwater House, Jays Close, Basingstoke, Hampshire RG22 4BS. Please arrange your own travel to and from the venue.

For further information and to request an application form, please email: **Amber.Seedatx@kier.co.uk**
