

Dear All,

We have had an urgent please from Basingstoke Foodbank, which I have been asked to share:

Dear Church Reps

Could you circulate this around your churches as soon as possible please.

Due to losing over 35 volunteers overnight due to the need to step back from their various rotas for reasons of age, health or looking after elderly relatives, we could do with a few extra hands.

If you are home from Uni, or home from work...are nowhere near 70 and are fit and healthy, could you offer to help us please...even if that is just one week for starters?

Roles...

- 1) Packing up 3-day bags for 1- 5 people sized families ready for these to be handed out to clients or people collecting for clients at the Foodbank door.
- 2) Sorting and checking goods donated at the centre
- 3) Collecting once a month or more donations in the supermarket permanent collection crates
- 4) Other occasional deliveries

Please email either admin@basingstoke.foodbank.org.uk or paulavallance@basingstoke.foodbank.org.uk

We do not need huge numbers as we need to be mindful of social distancing in the Centres (Tadley and Basingstoke)

At this stage, we would welcome anyone from 18 years upwards and under these challenging circumstances cannot include children coming to help with parents.
