Bishop Challoner Catholic Secondary School Walk with Me – The School SEN Offer

This document has been created to inform parents of the SEN provision in place at our school
All information provided is correct at time of publishing.

Welcome

Bishop Challoner is a Voluntary Aided Catholic Secondary School

It promotes and supports the well-being, learning, progress and achievement of those with special educational needs at their transition into Bishop Challoner, during their time at the School and as they move onwards.

It focuses on the needs, aspirations and engagement of young people with learning difficulties and/ or disabilities and their families.

Its policies reflect the priorities and values of the school, which endeavours to generate a loving, inclusive, educational environment for all, as set out in our Mission Statement, that 'We are all children of God and equals before Him'.

The school's motto challenges every individual to excel in all aspects of school life:

'Sanctity is found by doing ordinary things in an extraordinary way' Bishop Richard Challoner (1691-1781).

Primary School and Transition Links

My Child	Bishop Challoner
My child is in Year 5/ 6 and has Special Needs:	<ul style="list-style-type: none"> • If your child has a Education Health and Care Plan or complex needs, come and speak to the SENDCo, Mrs Oakes. Please contact us Telephone: 01256 462661 Email: SENCo@bsc.hants.sch.uk. • Your child's Primary School could invite our SENDCo to the Year 5 and Year 6 Annual Reviews and to any Transition Partnership Agreement (TPA) meeting before transfer to Bishop Challoner. Feeder primary schools should do this automatically, for other schools you may need to request this contact. • In the Summer Term of Year 6, a member of the SEND Team visits the SENDCo at your child's school and SEND information about your child is passed on to them. • Your child will be invited to an Induction Day when he/she will spend a day in their future tutor group, there will be Learning Support Assistants on hand, as well as a few current students to help the day run smoothly. • Additional visits can be arranged and agreed between schools according to your child's needs. • Parents of Year 6 are invited to a New Intake Parents' Evening in the Summer Term . • Bishop Challoner holds an Open Evening during September where prospective parents are able to look at what is offered by the school. There will be an opportunity to come and speak to the Learning Support Team.
My child is on the SEND Register in Year 6:	<ul style="list-style-type: none"> • The Primary School SENDCo will inform our SEND Team whether your child still has SEND needs by the end of Year 6. If your child has made great improvement, she/he will be taken off the register by the beginning of Year 7. • If your child's needs are still present by the end of Year 6, your child will automatically be placed on the SEND register in Year 7 in line with the SEND Code of Practice (September 2014). • The SEND register is reviewed regularly. When your child's needs are above the criteria set by Hampshire Local Authority, she/he will be removed from the register. However, your child will continue to be monitored, the description of his/her needs remains in the school's Directory of Need to be supported as necessary through effective quality first teaching. You will be notified of this process.
My child is in Year 6 and has access to Outside Agencies:	<ul style="list-style-type: none"> • Teacher Advisors for Hearing Impaired (HI) / Visual Impaired (VI) / Physical Disability (PD) will continue working with your child at Bishop Challoner • Educational Psychology Services will continue if your child still requires their input. • CAMHS will carry on working with your child. • NHS Physiotherapist will carry on working with your child • Occupational and Speech Therapy will stop in Year 6 but will oversee transition at the start of Year 7 – however the Teacher Advisors for Communication and Language (CAL) may begin to work with your child.

My child has Special Needs and is starting Bishop Challoner in Year 7:	<ul style="list-style-type: none"> • Your child’s needs are recorded and kept on file at Bishop Challoner. Teachers and support staff have access to this information, protocols with regard to confidentiality are rigorously adhered to. • If your child has complex needs, more detailed information will be available to teachers on the school’s internal network . • Bishop Challoner has a team of Learning Support Assistants with a wide range of experience and expertise who will support your child through the first few weeks and, if necessary, throughout their time at Bishop Challoner. • All Year 7 students take Cognitive Abilities Tests (CATs) in early September and regular reading for comprehension tests during their first year. • Year 11 Student Leaders and Student Mentors in Year 10 also provide a range of support for Year 7 student via a variety of programmes : Paired Reading Scheme, Homework Buddies, Well-being Mentors, Anti Bullying Ambassadors
My child with SEND is starting Bishop Challoner, but not at the start of Year 7:	<ul style="list-style-type: none"> • You will be invited during your first school visit to meet the SENDCo and / or relevant Head of Year • Your child’s needs will be recorded and made available to staff via the school’s Directory of Need. <ul style="list-style-type: none"> • Your child may also be added to the SEND Register, if his/her needs meet the Hampshire guidelines. •The SEND register is reviewed regularly. When your child’s needs are above the criteria set by Hampshire Local Authority, she/he will be removed from the register. However, your child will continue to be monitored, the description of his/her needs remains in the school’s Directory of Need to be supported as necessary through effective quality first teaching. You will be notified of this process. • Your child may take a reading test and spelling test as soon as possible. The results will be passed on to teachers. • Your child’s previous school should share important documents and information, this will aid a smooth, successful transition to Bishop Challoner.
My child has Special Needs and is leaving Bishop Challoner:	<ul style="list-style-type: none"> • If your child moves to another Secondary school, Bishop Challoner will send records and documents to the new school •Your child’s SEND information will also be passed on to his/her next school or college. Our SENDCo is available to speak to relevant staff at the new school if necessary. • If your child is moving to college, Bishop Challoner will keep their records securely until your child is 25 years old. After that date, all records will be confidentially disposed of in accordance with current statutory guidelines

SEN at Bishop Challoner

My Child	Bishop Challoner
How does Bishop Challoner help my child with Special Needs?	<ul style="list-style-type: none">• At Bishop Challoner we currently have students with the following needs on our register: Cognition and Learning, Communication and Interaction, Sensory and Physical Disability, Social, Emotional and Mental Health• All students are expected to fully engage with the wider life of the school following 'The Challoner Way' initiatives. All students are supported in reaching their full potential through the 'Walk with Me' ethos which is shared by the whole school community.• All teachers are informed of students' needs in September via the Directory of Need – this includes students with complex needs on the SEND Register.• Teaching and support staff receive training in SEND to update or enhance their skills. Training varies every year according to identified training needs of teaching and support staff.• All teachers adapt their lessons so that your child can access the work via quality first teaching.• The school has a part time Specialist Literacy Teacher, to plan and deliver a range of 1:1 and small group support to students with specific needs.• A team of Learning Support Assistants (LSA) are deployed to help students with SEND, especially for students with an Education, Health and Care Plan. When there are a number of students requiring help in the same class, the LSAs help each student in turn.• The SEND Department offers a range of Intervention Programmes to address the varied needs of students. These include Reading, Spelling and Mathematics programmes; One to One work for students with general learning needs and specific learning difficulties and wellbeing. Many interventions are implemented by curriculum departments to support effective learning in areas of subject expertise. At all times the school aims to minimising disruption to the curriculum and promotes inclusivity.• In early Year 10, SEND students are formally tested to see whether they qualify for support during their GCSE exams. Some students have access to a reader, extra time, or word processors, for example. However, there are systems in place for students to trial these access arrangements at KS3 in order to develop confidence and techniques during internal assessments.• Word Processors are available for those students with hand injuries.• Some students may have access to a word processor for written work in class. This will be determined by the SEND Department after relevant tests are completed.• The Chaplain is always at hand to offer help, counselling or guidance to students, staff and parents. As a faith school we also endeavour to support your child's spiritual and moral development.• The Matron keeps medicines in locked cupboards, including insulin, Epipens and inhalers. Students can come to the Medical Room when necessary to take medicines. When students are too unwell to stay in school, parents are contacted to arrange collection. All staff receive annual training in the use of Epipens and Inhalers.

<p>How does Bishop Challoner help my child with Special Needs? (cont.)</p>	<ul style="list-style-type: none"> •The school site has monitored access throughout the day. It is maintained in order to make sure it is safe and accessible for students with a Visual Impairment or Physical Disability. • Bishop Challoner has one governor responsible for SEND. • The SEND Policy is drafted and approved by governors. They keep aware of SEND matters by regular updates and reports from the SEND Department and by visiting the school once a term. •All vulnerable students are identified and monitored carefully. Mrs Wingham, Assistant Head, is the Designated Safeguarding Leader, there are also five Deputy Designated Safeguarding Leads known and accessible to staff and students. •All school staff are trained in accordance to current Safeguarding standards.
<p>My child is struggling but has never been diagnosed:</p>	<ul style="list-style-type: none"> • If you have any worries about your child, you can raise your concerns by contacting the SENDCo, or your child’s Tutor, Telephone: 01256 462661 Email: adminoffice@bcs.hants.sch.uk. These concerns will then be addressed by the Learning Support Department. • The Learning Support Department, in consultation with your child’s teachers, investigates the needs of students using a range of tests. There is a waiting list for such testing but our aim is to complete tests within a few weeks. In order to proceed, we request your approval first and contact you for a meeting upon results. • For a formal diagnosis of a particular condition school is able to sign post to a relevant expert. • School can offer a variety of informal screening processes to aid and support learning effectively.
<p>My child is very anxious:</p>	<ul style="list-style-type: none"> • Anxious and vulnerable students known to us will seek support from a network of people on a daily basis – their Tutor, Head of Year, Chaplain, Matron, LSAs or a Student Leader. The Assistant Head responsible for student wellbeing, takes an overview of how student’s wellbeing is supported across the school. •In the event of a sudden concern/issue, contact the school by Telephone: 01256 462661 or Email adminoffice@bcs.hants.sch.uk help and on going support with the necessary staff will be arranged. • To help some students cope with difficult situations the school has trained ELSAs and a limited range of external providers e.g. Relax Kids who offer support in these circumstances. At lunchtime there is Chill’n’Chat’ club supervised by staff, or ‘Sanctuary’ a safe space for anxious and vulnerable students to play cards, board games or chat in an adult supervised safe environment supported by our trained Wellbeing Mentors - KS4 volunteers.
<p>How does Bishop Challoner help SEN students to achieve success after leaving our school, e.g. higher education, employment and independent living?</p>	<ul style="list-style-type: none"> • Students who have an Education Health and Care Plan will have a planned support package ready to engage on arrival at the selected Further Education College. The SEN Personal Advisor who attends the Annual Review in Year 11 along with representatives from the chosen colleges will facilitate this process by negotiating clear aims and objectives to be included in the EHCP following this review. • A career’s advisor from EBP South provides all KS4 students with career’s advice, the school’s more vulnerable learners have the opportunity to have more than one appointment. • In Year 11 there is a programme of activities to help in this area e.g. CV building, Mock Interview, Money Matters.
